

Limit Setting Practice

1. Your child has a marker in his hand, is looking at the wall and glances up at you to get your reaction to his plan.

.....

.....

.....

2. Your child starts to kick a soccer ball in the living room around your fragile decorations.

.....

.....

.....

3. Your child wants to go play at her friends house, but it is close to dinner.

.....

.....

.....

4. Your child hates taking a bath and is complaining about having to take one.
